1.1	02/29/12	Chris Brown	Latest v2 offerings. Added ordering info.

This document shows the available labels which may be used with the **RaceGrade** Motorsport Keypad.

When ordering a keypad, there are three options available with regard to labels:

1. You may choose which labels in which location on the keypad, and the labels will be attached before shipping.
2. You may choose which labels you want, but have them shipped unattached.
3. You may choose one of the available sheets to be included.

Additional sheets may be ordered.
